DETAILED ACTION

Claims 1, 3-7, 24, 30-41 and 43 are pending in the instant application. Claims 2, 8-23, 25-29, 42 and 44 have been canceled.

Response After Final

Applicant's response and amendment to the claims filed on 5/13/2010 are acknowledged. The rejections and objections made in the previous office action are withdrawn in view of the amendment to the claims.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Attornev Chalin Smith on 05/19/10.

The application has been amended as follows:

In claim 39, last line, insert ---- after the word arylsulfonyloxy.

Reasons for Allowance

The present invention is directed to a process of making 1,2,4-triazol-1-yl compounds of formula [A]. The closest prior art of record is Dalmeases Barjoan (WO 2004/014877), which teaches a process of making Riztriptan, but does not teach the use of the instantly claimed hydrazine of formula [B], wherein an alkyl-amino group is present. Therefore, the instantly claimed compounds are allowable over the prior art.

Art Unit: 1626

Telephone Inquiry

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Susannah Chung whose telephone number is (571) 272-6098. The examiner can normally be reached on M-F, 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Joseph McKane can be reached on (571) 272-0699. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).

/Susannah Chung/ Examiner, Art Unit 1626
